

# Monthly Safety Training

## **DISTRACTIONS ARE EVERYWHERE.**

Distractions are all around us and pose a significant safety hazard to drivers and pedestrian safety.

## **COMMON DISTRACTIONS.**

- Buildings
- People
- Construction
- Accidents
- Billboards
- Scenery

## **STOP!**

Drivers are over three (3) times more likely to run a stop sign or red light while driving distracted.

## **STAY FOCUSED ON DRIVING.**

Focus on maintaining a safe distance from other vehicles and avoid fixating on outside distractions.

## **SAFETY FIRST.**

Instead of becoming distracted by the people, places, and things outside the vehicle, make a point to regularly scan mirrors and actively scan ahead for traffic and hazards.
