

# Monthly Safety Training

## CELEBRATE THE PROFESSIONALS.

We honor the 3.5–3.6 million professional truck drivers who deliver the goods that keep America running... moving more than 70% of the nation's freight.

## RECOGNIZE IMPACT.

More than 80% of U.S. communities rely entirely on trucks to receive essential products. Drivers connect every corner of the country with food, medicine, equipment, and daily necessities.

## ACKNOWLEDGE SACRIFICES.

Drivers spend long periods away from home, work demanding schedules, and overcome weather, traffic, and safety challenges to ensure goods arrive safely and on time.

## SUPPORT DRIVER APPRECIATION EFFORTS.

Fleets, truck stops, and communities celebrate with events, meals, thank-you messages, giveaways, and recognition for safe and professional driving.

## SHOW GRATITUDE.

A simple "thank you," a note, or a supportive gesture helps boost driver morale and shows appreciation for the people who keep America supplied and moving.
