ATA Comp Fund and Alliance Interstate Risk Service Participating Companies

Dear Ladies and Gentlemen:

Enclosed you will find a copy of the Consolidated Summarized Financial Statements of the Alabama Trucking Association Workers' Compensation Fund and Alliance Interstate Risk Service (Consolidated Programs) for the Ten Months ended October 31, 2025. These financial statements reflect the Consolidated Programs currently have accumulated total profits, net of distributions, of \$80,152,076 set aside for future retrospective dividend credits to be refunded to active participating companies as directed by Alabama State Regulatory Requirements. Since inception of the Consolidated Programs, the total amount of retrospective dividend credits previously distributed back to participating members is \$220,421,947.

This report includes the overall operations of the Consolidated Programs, and the claims losses reflected in the Consolidated Statement of Income and Deductions includes loss reserves which are required to pay incurred but not reported (IBNR) losses. These IBNR loss reserves are established at levels recommended by the our independent Actuarial firm (Casualty Actuarial Consultants) and approved by the Boards of each program. Our Actuaries recently completed their yearend loss reserve analysis update and have adjusted reserves based on the decreasing development trend of losses over the most recent years of operation. This trend is the direct result of aggressive and effective claims handling practices and our loss control and risk management practices within both programs. The combined overall operating profit for the Ten Months ended October 31, 2025 is \$19,695,969. The Boards of both programs are very pleased to report the Consolidated Programs continue to grow stronger and generate greater dividends payable back to our participating companies.

In closing, we always wish to take the opportunity to remind you that the best approach to curb increases in your company's operating expenses is to strive to maximize your company's emphasis on your claims reporting and handling procedures along with your loss control and risk management practices. Your efforts in these areas will directly increase the bottom line of your company. Please take advantage of the opportunity to contact our team members to assist you in these efforts. Suzy Baker, our Claim Manager, along with Todd Hager, our Chief Operating Officer, will assist you with any claims related questions you may have. Don Anchors, our Director of Safety and Risk Management, Victor Whatley, our Regional Risk Manager, as well as our Risk Management Consultants, Candy Woodruff, MaryAnn Brown, Will Moses, Ray Hodges, Jason Brown and Adam Tallmon will evaluate your company to develop a risk analysis plan and implement safety procedures and training that can immediately reduce the losses occurring within your company, as we have done for many others in both programs. We encourage you to contact us and take advantage of these resources at no cost to you, and remember to always Work Safe / Work Smart.

BOARD MEMBERS

Mike Limbaugh, Chairman

ATA Comp Fund Trustee and AIR Board Director

Owner, White Oak Transportation, Inc.

P.O. Box 876

Decatur, AL 35602
