Alabama Trucking Association
Workers’ Compensation Fund Members

Dear Ladies and Gentlemen:

Enclosed you will find a copy of the Summarized Audited Financial Statements of the Alabama Trucking Association Workers’ Compensation Fund for the year ended December 31, 2019. Our Auditors (Carr, Riggs and Ingram, LLC) conducted their audit in accordance with U.S. generally accepted auditing standards. Those standards require the Auditors to plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. Upon the completion of all necessary examinations of the evidence supporting the amounts included in these financial statements and assessing the accounting principles used and significant estimates made by management, the Auditors determined that their audit provided a reasonable basis for issuing their opinion. Their opinion concluded that these financial statements present fairly, in all material respects, the financial position of the Alabama Trucking Association Workers’ Compensation Self Insurance Fund as of December 31, 2019.

These financial statements reflect the Fund has accumulated total profits, net of distributions, of $71,200,130 set aside for future retrospective credits to be refunded as directed by State Requirements of the Alabama Department of Labor. The total amount of retrospective credits previously distributed back to participating members, since inception of the Fund, is $98,067,063. In addition, the Fund will distribute back $19,994,633 on January 1, 2020 to respective participating members with their 2019 calendar year renewals.

This report includes the overall operations of the Fund which consists of both our Alabama and Cross Border programs. The claims losses reflected in the Consolidated Statement of Income and Deductions includes loss reserves which are required to pay incurred but not reported (IBNR) losses as determined by the Fund’s independent Actuarial firm (Casualty Actuarial Consultants, Inc.). After having made the year-end reserve adjustments as determined by the Actuaries, the combined overall operating profit for the year ended December 31, 2019 is $22,336,217. With the conclusion of the 2019 calendar year, the Board of Trustees is pleased to report that we have continued our long standing profitable operating performance. The Board wishes to emphasize that its primary goals remain to protect the financial integrity of the Fund while returning profits to participating members.

In closing, we always wish to take the opportunity to reinforce our program goals where we believe the best approach to curbing increases in your company’s operating expenses is to strive to maximize your company’s emphasis on your claims processing procedures and loss control. To support you in obtaining these goals, Suzy Baker, our Claim Manager, along with Todd Hager, our Chief Operating Officer, will assist you with any claims related questions you may have.
