The ATAWCF Staff Continues to Grow!!!!!!

As the ATA Workers' Compensation Fund continues to grow and expand its operations and programs to support our member companies, the complexities of our operations increase as well. To meet this growing demand, it is our great pleasure to announce that Doug Moseley has joined our team effective September 12, 2016. Doug will focus on many financial facets of our existing operations and assist us in vetting potential new programs that we believe are important opportunities to further support our member companies and increase their bottom line profits. Doug Moseley comes to the ATA Workers' Compensation Fund with over 10 years of accounting experience. He is a Certified Public Accountant, as well as holding CISA, CITP and CGMA certifications. He has a Bachelor's degree in Finance from Troy University, a Bachelor's degree in Accounting from the University of Alabama at Birmingham and a Master's of Business Administration Degree with an emphasis on Information Systems from Troy University. He began his career in 2002 with the Alabama Department of Insurance as an Insurance Company Examiner. In 2005, he became an auditor with Carr, Riggs and Ingram, LLC in Birmingham and progressed to Senior Accountant before moving to Montgomery to accept the position of Deputy Finance Director for the City of Prattville in 2010. In 2011, Mr. Moseley was appointed Finance Director for the City of Prattville.

Doug and his wife, Stephanie, enjoy trips to the beach and SEC football.

Please welcome Doug as he begins a new career with the ATA Fund.
